**Commissioner for Patents**

The request to correct the inventorship of this nonprovisional application under 37 CFR 1.48(a) is deficient because:  
An oath or declaration by each actual inventor or inventors listing the entire inventive entity has not been submitted.

Additionally, it is noted that all the newly submitted documents also alter the another inventor's name from "Joe Martinosky" (as laid out in the Oath - 5/26/06) to "Joe Matinosky" (as laid out in the ADS - 7/26/11, supplemental declaration 7/26/11).

Applicant is advised to resubmit all documents, including a NEW oath or declaration with the signatures applied by ALL the named inventors (not simply referring to a previously filed declaration) WITH any spelling errors fully corrected according to 37 CFR 1.48(a)(3). At this point, no change in inventorship has been made.
